AMEND Senate Bill No. 2224

House Bill No. 2206*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 69-3-105(l), is amended by adding the following language at the end of the subsection:

The board shall not include in any rules promulgated under this subsection (l) any requirement for drip or spray fields that imposes land set aside for excess capacity, emitter center specifications, elevation restrictions, or limitations on land use where effluent is disinfected prior to application.

SECTION 2. Tennessee Code Annotated, Section 69-3-108(g)(1), is amended by adding the following language at the end of the subdivision:

The commissioner shall not impose as a permit condition any requirement for drip or spray fields that impose land set aside for excess capacity, emitter center specifications, elevation restrictions, or limitations on land use where effluent is disinfected prior to application.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
